

Event Schedule for Sim-Serv 2004

Event	Date	Place	Who participates, how
Roadmap of Simulation in Manufacturing and Logistics, working group	27.5.2004	Frankfurt	Sim-Serv Members, invited experts and other interested parties
German Sim-Serv workshop	Held in May 2004	Duisburg, Germany	University of Duisburg presents Gerber test case and scheduling solutions. Local SMEs attend.
Working Group "Open Digital Factory" meeting	Held in May 2004	Duisburg or Dortmund, Germany	Sim-Serv members and other interested people.
ISC 2004 Industrial simulation conference	7-9.6.2004	Malaga, Spain	Johannes Krauth, SDZ presents Sim-Serv
Sim-Serv Core Team meeting	15-16.6.2004	Siikaranta, Finland	Sim-Serv Project Team
Local Contact Points Meeting	17.6.2004	Espoo, Finland	Sim-Serv Local Contact Points
Working Group on Simulation Assisted Automation Testing	17.6.2004	Espoo, Finland	Sim-Serv Members
Sim-Serv Software Developer's Day	18.6.2004	Espoo, Finland	Sim-Serv Members
Italian Sim-Serv workshop	7.7.2004 at 10:00	Genoa, Italy	Local industry and simulation service providers, Sim-Serv Members present test cases
Polish Sim-Serv workshop	14.7.2004	Wroclaw, Poland	Local industry and simulation service providers, Sim-Serv Members present test cases
Sim-Serv Working Group: Modular design of simulation tools	13.7.2004	Wroclaw, Poland	
Sim-Serv Working Group on Traffic Simulation	15.7.2004	Wroclaw, Poland	
Continuous and hybrid simulation roadmapping working group	14.7.2004	Patras, Greece	Sim-Serv Members, invited experts and other interested parties
Business and Enterprise modelling working group	14.7.2004	Patras, Greece	Sim-Serv Members, invited experts and other interested parties
Greece Sim-Serv workshop	15.7.2004	Patras, Greece	Local industry and simulation service providers, Sim-Serv Members present test cases

In preparation: Sim-Serv international public workshop (final big event) in connection to SIMS 2004	22.9.2004	Copenhagen, Denmark	Sim-Serv Members and other interested people
"Experiences from the Future": 11. ASIM Conference Simulation in Production and Logistics	4-5.10.2004	Berlin, Germany	Gerber test case will be presented by University of Duisburg. General presentation of Sim-Serv by SDZ. Likely a Sim-Serv stand.
Scandinavian Sim-Serv workshop	August	Västerås, Sweden	Local industry and simulation service providers, Sim-Serv Members present test cases
Spanish Sim-Serv workshop	Pending	Madrid, Spain	Local industry and simulation service providers, Sim-Serv Members present test cases
French Sim-Serv workshop	Pending	France	Local industry and simulation service providers, Sim-Serv Members present test cases
Portuguese Sim-Serv workshop	Pending	Portugal	Local industry and simulation service providers, Sim-Serv Members present test cases
Power Electronics & Motion Control	5.9.2004	Latvia	Galina Merkuryeva from RTU will present Decorpart case and Sim-Serv
ASIM Working Group: Production and Logistics	March	Clausthal, Germany	Bernd Noche presented Sim-Serv
ASIM Working Group: Production and Logistics	29.7.2004	Würzburg, Germany	Not yet decided
ESM2004 European Simulation Multiconference	June	Magdeburg, Germany	Galina Merkuryeva presents Decorpart test case and Sim-Serv
EUROSIM 2004 conference of the Association of European Simulation Societies	6-10.9.2004	Noisy-Le-Grand / Paris	Kaj Juslin from VTT presents Sim-Serv.
Kemiantekniikanpäivät Exhibition and seminar in chemicals engineering, people from Finnish chemicals industry participating.	7.10.2004	Helsinki, Finland	Karri Honkoila from VTT will arrange Sim-Serv stand.
