

Five Working Groups Starting Soon

Five Working Groups will soon start discussing various aspects of simulation and manufacturing excellence. All will hold their Kick-off meetings in the near future. Sim-Serv members and all others (individuals and organisations, users as well as suppliers of simulation tools and services) are invited to join the groups, share their experience, problems, and visions.

The Working Groups, their chairmen and the date and location of their Kick-off meetings are:

1. Modular Design of Simulation Tools

Chairman: Jaroslaw Chrobot, email: j.chrobot@camt.pl

Kick-off Meeting: May 15 /16, 2003 at Sheffield University, Sheffield (UK)

2. Open Digital Factory

Chairman: Dirk Schnorpfeil, email: schnorpfeil@sdz.de

Kick-off Meeting: June 6 at SDZ, Dortmund (DE)

3. Simulation Accuracy for Plastics and Rubber Production

Chairman: Timo Ture, email: Timo.Ture@elastopoli.fi

Kick-off Meeting: open

4. Simulation Assisted Automation Testing

Chairman: Matti Paljakka, email: Matti.Paljakka@vtt.fi

Kick-off Meeting: May 14, 2003, Hotel Monopol, Frankfurt/Main (DE)

5. European Working Group on Benchmarking

Chairman: Veli-Pekka Mattila, email: Veli-Pekka.Mattila@vtt.fi

Kick-off Meeting: May 15, 2003, Hotel Monopol, Frankfurt/Main (DE)

More details on the content and objectives of these Working Groups can be found on the news section <http://www.sim-serv.com/news.php> of our web site

For registration and for information on payment of travel expenses, please contact the chairmen.
