

## **Sim-Serv Working Group: Road Map for Discrete Event Simulation in European Industry**

**First Meeting: 8<sup>th</sup> April, 2004, Airport Conference Center Frankfurt**

### **Agenda:**

9.00h Welcome

9.15h Introduction of Attendants

10.30h Coffee Break

10.45h Major Trends in Discrete Event Simulation: Methods, Tools, Applications

12.30h Lunch

13.30h Hindrances for a Wider Use of Simulation in European Industry

14.30h What Can Be Done in Order to Overcome These Hindrances?

15.30h Next steps

16.00h End of Meeting

Note: In the Introduction, we ask every attendant to present her/his career as a “simulationist”, as well as her/his special interest in the area – 5-10 minutes per person
