**Invitation to
second meeting
of
Modular Design of Simulation Tools
(MOTTO)
Sim-Serv Working Group
on 13.07.2004**

Dear MOTTO members,

CAMT kindly invites you to the second MOTTO meeting, which will take place in Wroclaw (Poland). We will have opportunity to discuss the work done so far and possible future activities. The MOTTO white paper seems to be a good basis for discussions and brings a hope for further cooperation between our institutions.

Location:

Wroclaw University of Technology, Wroclaw, Poland
B-4 building
Lukasiewicza 3/5
50-371 Wroclaw

Goals of the meeting:

the meeting is organized first to discuss the white paper, that was written as the result of MOTTO group activities as well as remarks of designated reviewers. A constructive criticism and improvement suggestions are expected from the participants. Second, the meeting will serve discussing the way forward, especially regarding future possible project focusing on development a common modular structure for simulation tools.
